## THE MANAGER WRITES . . .

Good afternoon supporters,

Today we welcome League leaders Luton Town and look forward to a  
keen encounter. The pressure is on them as much as us and although the  
boys have a high regard for this side they are capable of upsetting the odds.

We lost heavily at Southend last Friday against another side in the  
top four. It's remarkable but whenever a top teams meets a bottom team  
the breaks always seem to go to the top one.

Our fullback Dave Butler was carried off with a hip injury early in  
the game and this disrupted us tremendously. Southend were a good side,  
make no mistake about that, but they weren't seven goals better.

I have said many times that the Reds are in a false League position  
and I am quite convinced that the tide will turn soon. I hope it won't  
come too late and a victory over the top team in the League would be a  
great boost for our hectic Easter programme.

FRANK UPTON.

The Junior Supporters' bus is now fully booked for the Good Friday trip to Darlington. We have had visits from several parents to our Junior Supporters' events and all agree the officials are doing a good job organising the young boys and girls who support our club. An interesting point is that we now have reached the 160 mark in membership.

The next event is on Wednesday, 10th April, in the club and we must make it clear this is for members only. The "Phase" group will play again and we look forward to another good night.
